### **"Third Thursdays on Tybee" Continues**

Tybee Island, GA – (March 16, 2010) The *Third Thursdays on Tybee* Grassroots Art Program continues this Thursday, March 18 from 5:00PM – 6:00PM in the lot at Tybee Oaks. Nationally known Contemporary Folk artist Lauren Lapointe will amaze those joining the musical celebration on the Northern portion of the Business Corridor. Lauren tours nationally, and her new CD, "Butterfly", is being played on 80 radio stations in eight different countries.

The final performance for this series will be April 15 from 5:00 PM – 6:00 PM at the Tybrisa / Strand Roundabout near the Walter W. Parker Pier & Pavilion with a focus on young musicians. The feature will be Tybee's very own Lacey Caldwell, an award winning sixteen year old junior at Savannah Arts Academy. Enjoy Tax Day this year with this free musical performance while strolling around Tybrisa and The Strand.

This music series provides free family-friendly outdoor music. Residents, merchants and guests are all encouraged to take advantage of these one-set, one hour concerts while enjoying the shops, restaurants and outdoors during the late afternoons.

These concerts are made possible by funding provided through the City of Tybee Island's Better Hometown Initiative, the 2009/2010 Grassroots Arts Program grant, area organizations, private donations and many local businesses. A portion of the Better Hometown Initiative's mission is to "support and encourage the arts as a cultural endeavor and economic engine on the Island." Drawing upon many local resources, Tybee continues its role as an inviting and thriving arts community with the Third Thursdays on Tybee program. *About Tybee Island, GA.: The City of Tybee Island, Georgia is on the outermost barrier island off the Savannah area coast. With a wild bird sanctuary, over three miles of ocean beaches, and salt marshes on the back river, outdoor recreation activities abound for visitors to the island. As a key defense point to the important Savannah port, Tybee's Fort Screven, Tybee Fort Theater, Fort Pulaski, and the Tybee Island and Cockspar Lighthouses combine with the unique architectures of the island's raised cottages to form a rich backdrop for history buffs. Attracting a strong artistic community, there are several local supporting art galleries. Keeping the island interesting year round are several arts festivals, the Annual Pirate Fest, the Beach Bum Parade, St Patrick's Day celebrations, the Hot Rod Run, the Beach Bash, and the Christmas Parade, as well as fireworks displays on Independence and New Year's Days off the Parker Pier and Pavilion. The Marine Science Center cooperates with Georgia's DNR to protect threatened sea turtle species by searching for nests, protecting their eggs, and making sure hatchlings make it to sea.
