

Your nostalgic paradise to live, do business and play year-round

Tybee Island Development Authority / Main Street Donation Form

The City of Tybee Island is committed to preserving the beauty and history of Tybee Island while creating a welcoming, economically-sound and desirable town year-round. Since 2010, merchants and residents have partnered through the Main Street Program to balance ways to achieve this commitment. Partners work throughout the year to improve the quality of life and enhance the cultural experience for those that live, work and visit Tybee Island while preserving the community's barrier island heritage.

We work hard to cultivate community, and nurture what's special about Georgia's northernmost barrier island. While being fiscally responsible with the funding allocated by the City and spirited hard work, donations help ensure identified projects can continue the impact we have to keep Tybee Island strong and vibrant!
