## The Three Step Process:

## **Disaster Loans**

## **About Disaster Loans**

The U. S. Small Business Administration (SBA) provides low-interest, long-term disaster loans to businesses of all sizes, private non-profit organizations, homeowners, and renters to repair or replace uninsured/underinsured disaster damaged property. SBA disaster loans offer an affordable way for individuals and businesses to recover from declared disasters.

STEP 1: Apply for Loan

- Apply: 1) online; 2) in-person at a disaster center; or 3) by mail.
- Apply online at the SBA's secure website https://disasterloan.sba.gov/ela.
- As a business of any size, you may borrow up to \$2 million for physical damage.
- As a small business, small agricultural cooperative, small business engaged in aquaculture, or private non-profit organization you may borrow up to \$2 million for Economic Injury.
- As a small business, you may apply for a maximum business loan (physical and EIDL) of \$2 million.
- As a homeowner you may borrow up to \$200,000 to repair/replace your disaster damaged primary residence.
- As a homeowner or renter, you may borrow up to \$40,000 to repair/replace damaged personal property.

STEP 2: Property Verified and Loan Processing Decision Made

- SBA reviews your credit before conducting an onsite inspection to verify your losses.
- An SBA verifier inspects your disaster damaged property to estimate your total physical losses.
- A loan officer will determine your eligibility during processing, after reviewing any insurance or other recoveries. SBA can make a loan while your insurance recovery is pending.
- A loan officer works with you to provide all the necessary information needed to reach a loan determination. Our goal is to arrive at a decision on your application in 2-3 weeks.
- A loan officer will contact you to discuss the loan recommendation and your next steps.
   You will also be advised in writing of all loan decisions.

STEP 3: Loan Closed and Funds Disbursed

- SBA will prepare and send your Loan Closing Documents to you for your signature.
- Once we receive your signed Loan Closing Documents, an initial disbursement will be made to you within 5 days:
  - Physical damage:
    - > \$25,000
  - Economic injury (working capital):
    - > \$25,000
- A case manager will be assigned to work with you to help you meet all loan conditions. They will also schedule subsequent disbursements until you receive the full loan amount.
- Your loan may be adjusted after closing due to your changing circumstances, such as increasing the loan for unexpected repair costs or reducing the loan due to additional insurance proceeds.

## **Required Documentation**

The following documents are required to process your application and reach a loan decision. Your Loan Officer and Case Manager will assist you to ensure that you submit the proper documentation.
