

SOUTH END WEEKEND TRAFFIC PROTOCOLS

14th Street & Butler Avenue Intersection

- Traffic headed South will be allowed to make a left turn off Butler Avenue and head East on 14th Street.
- Traffic headed North would be allowed to make a right turn Butler Avenue and head East on 14th Street.
- Once the parking lot is full and traffic is backed up on 14th Street to Butler Avenue a FRENCH BARRICADE, with a sign stating lot full, will be placed on 14th Street to prevent any more traffic down 14th Street.
- The FRENCH BARRICADE will be removed once the traffic is cleared on 14th Street and the parking lot.

14th Street & Parking Lot Intersection

- JERSEY BARRIERS will be placed to allow only for a right turn into the parking lot from 14th Street.
- Traffic in the parking lot WILL NOT BE ALLOWED TO EXIT ON 14TH STREET. This will create an emergency and access lane on 14th Street for the residential area on the north side of 14th Street.

14th Lane & Parking Lot Intersection

- JERSEY BARRIERS will be placed across the entire intersection so no traffic will be allowed to end the parking lot.
- The City may place additional parking in the closed area.

15th Street & Butler Avenue Intersection

- JERSEY BARRIERS will be placed along the centerline of Butler Avenue to prevent left turns onto 15th Street.
- Traffic headed East on 15th Street will be forced to turn right onto Butler Avenue.

- Traffic headed South on Butler Avenue will be allowed to make a right turn and head West on 15th Street or continue South.
- Traffic headed North on Butler Avenue will be allowed to make a right turn on 15th Street and head East to the parking lot or continue North on Butler Avenue.
- Traffic headed West on 15th Street will only be allowed to make a right turn onto Butler Avenue.

15th Street and Parking Lot Intersection

- JERSEY BARRIERS will be installed to create a “Pork Chop” island.
- Traffic headed East on 15th Street will only be allowed to make a right turn into the parking lot and head South.
- Traffic headed South in the parking lot will be allowed to continue South in the parking lot or exit the parking lot by turning right on 15th Street and head West.

Tybrisa Street & Butler Avenue Intersection

- Traffic heading South will be allowed to make a left turn off Butler Avenue and head East on Tybrisa Street.
- Traffic heading North will be allowed to make a right turn off Butler Avenue and head East on Tybrisa Street.
- Once the parking lot is full and traffic is backed up on Tybrisa Street to Butler Avenue a FRENCH BARRICADE, with a sign stating lot full, would be placed on Tybrisa Street to prevent any more traffic down Tybrisa Street.
- The FRENCH BARRICADE will be removed once the traffic is cleared on Tybrisa Street and the parking lot.

Tybrisa Street and Strand Avenue Intersection

- Traffic would be allowed to enter the parking lot and head South or turn onto Strand Avenue and head South.

17th Street and Butler Avenue Intersection

- A FOUR WAY STOP is placed on the weekends to allow turning movements for traffic traveling in all directions.

17th Street and Strand Avenue Intersection

- FRENCH BARRICADES are placed so traffic cannot enter or exit the parking lot.
- Traffic headed South on Strand Avenue will be able to continue South on Strand Avenue or turn right on 17th Street and head West.
- Traffic headed South in the parking lot will have to continue South and exit the parking lot at 18th Street.

18th Street and Butler Avenue Intersection

- All traffic headed West on 18th Street, will be allowed turning movements in all directions.

18th Street and Strand Avenue Intersection

- All traffic headed South from both Strand Avenue and the parking lot will be forced to make a right turn on 18th Street and head West.

OTHER WEEKEND TRAFFIC PROTOCOLS

Butler Avenue Taper

- At the 15th Street intersection the Easterly Southbound lane of Butler Avenue will start to taper and Butler Avenue will be restricted to ONE LANE of traffic by Tybrisa Street. The Easterly Southbound lane will become an EMERGENCY LANE for Police and Fire if needed.
- Advanced warning signs are placed at 14th Street and 14th Lane stating the LEFT LANE IS CLOSED AHEAD.

Inlet Avenue

- Inlet Avenue between Tybrisa Street and 17th Street will continue to be a ONE WAY headed East.

17th Street and Inlet Avenue Intersection

- FRENCH BARRICADES will be placed on 17th Street blocking Eastbound traffic and on Inlet Avenue blocking Northbound traffic.
- 17th Street between Inlet Avenue will become a ONE WAY Street headed East.

Butler Avenue

- Butler Avenue between 17th Street and Tybrisa Street will become a ONE WAY headed West.
- Temporary ONE WAY sign will be placed at the intersections of Izlar Avenue and Butler Avenue.
- Temporary ONE WAY sign will be placed at the intersections of Silver*- Avenue and Butler Avenue.
