**4 PM** - GSP arrives on Tybee

**8:30 PM** - Police cars damaged while officers on armed robbery call

# QUESTIONS & ANSWERS

- Pre-Planning
- Traffic
- Legal
- Community Safety
- Communications
- Future Planning

# PRE-PLANNING

- What type of coordination occurred with other law enforcement agencies like GSP and National Guard?
- What type of preparations were made by city staff to handle this event?
- Why was there a difference in law enforcement response for this year's Orange Crush versus prior years?

# **PRE-PLANNING**

- What type of training do first responders have to handle large events?
- Why didn't the city have enough Narcan on hand for a large event?

# Traffic

- Where do you get your traffic data?
- Why was traffic so bad on US 80 and why did it take so long to clear accidents?
- Why wasn't more law enforcement present on US 80?
- Was parking enforced and cars towed during Orange Crush?

# Traffic

- Can we close the roads for large events?
- Is there a better way to provide emergency vehicle access during traffic gridlock?
- Were life flight helicopters available and will they be in the future if traffic is gridlocked?

# Legal

- Why does a DOJ Agreement influence the city's planning for events?
- Can the city prohibit unpermitted events?
- Why can't Tybee close its beach like during the COVID-19 quarantine?

# Legal

- Can event promoters be held accountable for damages caused by their unpermitted events?
- Can citizens decide on open container laws via a referendum?

# Community Safety

- How do we ensure that beach litter from large events do not wash into the ocean?
- How do we clean up trash on Tybee Island after large events?
- How can we prevent large house parties or shut them down once they start?

# Community Safety

- How do we report neighborhood issues during an event?
- Can the city institute a curfew?
- What priority is given to ordinance violations for beach rules, noise, parking, and speeding? Did Tybee PD, GSP and Chatham Police write tickets?

# Communications

- What can be done in the future to prevent poor cell phone coverage? Can temporary cell towers be brought in for large events?
- Is it possible to get regular public safety alerts and updates?

# Future Planning

- What will you do to plan for next year?
- How will you include other impacted jurisdictions in planning and preparing?
- Does Tybee have the option to limit the number of people on the island like national parks, movie theaters or stadiums?

# Future Planning

- Can traffic to the island be controlled with checkpoints and toll booths during events?
- Can the city develop an Emergency Preparedness Plan for large events like it does for hurricanes?

# POINTS OF CONTACT

Citizens have asked how they can help bring about a regional planning approach for large-scale events such as Orange Crush. You can reach out to elected leaders and share your thoughts and experiences.

## **County Chairman Chester Ellis**
